

## DeKalb County Schools Superintendent Search Stakeholder Engagement Schedule

The DeKalb County Board of Education and PROACT Search have finalized and released the schedule for Stakeholder Engagement regarding the upcoming Superintendent Search. **Please come participate** in one of the focus groups or community meetings to share your input! Feedback from the community is a critical component of developing a profile that will drive recruiting for the next superintendent of DeKalb County Schools.

Meetings are across the community spread out over 6 different days. See the schedule below for dates, locations, and times. Please come and share your thoughts about the characteristics and experience that should qualify candidates for one of the most important jobs in the DeKalb community.
